Organiser's Thanks and Comments:

Thanks to everyone who helped on the night: Andy Ellis and Emma Taylor on SI, Kay Hawke on starts and Cath Wilson at registration.

Thanks also to our venue for the evening The Loom bar and cafe. This opened just over a year ago and is a great find. Apologies to a few late finishers who had a delay in receiving their pizza after one of the ovens broke down.

Hope you enjoyed your run. Numbers were a little bit down on past events here but 59 runners was still a good turnout for a mid-week event in January. Weather conditions were very settled on the night which made for no problems or injuries. I had hoped to tempt some of the more experienced runners to do some cross country legs across some of the open areas but everyone seemed to play safe and not risk it. I had to replace a vandalised checkpoint earlier today (55) but then nobody proceeded to visit it!

There were no significant problem controls on the night. Only 2 answers were marked wrong. There were a small number of typo errors or answers placed in adjacent boxes that I allowed if the mistake was obvious and the control site was clearly visited. The same applies to 1 competitor who had problems with their answer sheet, where they clearly visited the control I credited the points.
